

Canvio for Desktop

High capacity.
High speed.

The Canvio for Desktop is stylish and powerful. Its compact piano black design looks smart and gives you the choice of horizontal or vertical positioning on your desktop, while up to 6 TB of storage can be accessed at super-fast USB 3.0 transfer speeds, with backwards compatibility for USB 2.0. It includes an internal shock sensor and ramp loading technology to help keep your drive safe and a security lock slot so you can physically protect it, too.

Pre-loaded software can automate the whole backup and restore process for you, with the option of a full system backup for complete peace of mind. Also included is a NTFS driver for Mac, which allows you to store and access files on both PC and Mac without reformatting.*

Auto-backup software

Pre-loaded NTI® Backup Now EZ™ software automates file, folder, and full system backup and recovery for complete peace of mind.

Extra security

Protect your private data and secure the drive using the security lock slot.

PC and Mac compatible

Canvio for Desktop hard drives come with a NTFS driver for Mac, allowing you to store and access files on both PC and Mac without reformatting.*

Canvio for Desktop
