

## THE AUTHENTIC COFFEE AT HOME WITH THE NEW SMEG BUILT-IN COFFEE MACHINES

Nothing can beat the aroma of freshly made coffee, whether it's the first cup in the morning or during an afternoon break. **Espresso, cappuccino, hot milk, white coffee, Americano and other delicious drinks:** with the **new Smeg coffee machines** you can enjoy **no less than 13 different drinks** at home, in just a few minutes. Smeg coffee machines also offer the choice between coffee beans and ground coffee, to meet all tastes and needs.

The **Italian design** of the new built-in coffee machines, available in the **Dolce Stil Novo, Linea and Classica** range, offers **clean and elegant lines**, blending aesthetics and cutting-edge technology, in perfect Smeg style. The **new TFT full touch display**, which replaces the LCD of the previous model, is practical and intuitive and features multiple options.

You can set **up to 6 different user profiles**, to memorise the favourite beverage of each member of the family. In just a few seconds, you can select a drink **personalised down to the smallest detail: the number of coffee beans** to ground, the thickness of the **foam**, the **amount of liquid and the temperature** of the drink.

With the new Smeg coffee machines your kitchen turns into a professional coffee bar where you can enjoy a cup of your favourite drink at any time of the day.
