- Fast heat up time
- Detachable water tank for easier filling

Safe on all garments

- Safe to use on delicate fabrics, like silk
- Brush accessory for a smooth finish

Easy storage

- Exclusive storage bag for easy storage

PHILIPS

Highlights

2-in-1 steaming function

2-in-1 vertical and horizontal steaming function allows you to achieve even better results with your garment steamer. Steam your clothes vertically without using an ironing board, or give them a really crisp touch by steaming horizontally on any straight surface around you. Due to its unique internal design this Steam&Go 2-in-1 will generate powerful continuous steam even in horizontal position, so now you can also steam your soft furniture and bed linen.

SmartFlow heated plate

SmartFlow technology ensures great ironing results as the optimized steam flow heats up the steam plate. This keeps the steam plate at an optimal, safe temperature for all fabrics while effectively preventing wet spots. It features a coating that enables good gliding and corrosion resistance.

Automatic continuous steam

Electric pump provides continuous steam for easy and quick crease removal.

Safe on all fabrics

The steamer is safe to use on all fabrics. It is a great solution for delicate fabrics like silk.

Fast heat up time

The steamer is ready to use within seconds.

Detachable water tank

Detachable water tank for easier filling.

Brush accessory

Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.

Exclusive storage bag

Use the supplied storage bag to store the handheld steamer after usage or to take along with you during your travels.
