Item Code: **BTKEYPROTWS..**

Wireless headset with charging case and ENC function.

Technical Features:

- ENVIRONMENT NOISE CANCELLING TECHNOLOGY: innovative technology that reduces undesirable noise during the call so the person calling enjoys optimum listening quality;
- 4 MICROPHONES: each headset has 2 microphones, one for voice and one for noise;
- MULTIPOINT TECHNOLOGY: allows you to connect the earphones to two devices simultaneously;
- ADVANCED LED DISPLAY: shows the charging percentage of both the case and the two earbuds.
- AUTOPAIRING FUNCTION: paired and ready for use once extracted from the charging case;
- TOUCH CONTROLS: songs and calls directly from the headset;

Compatibility: Universal.

DESCRIPTION:

KEY PRO is a in-ear earphone with ENC (Environmental Noise Cancelling) technology. This feature is enhanced by 4 microphones (2 in each earbud), which drastically reduce background noise, ensuring your voice remains clear and crisp for your caller.

The device features an ADVANCED LED DISPLAY, showing both the charging status of the case and the individual TWS earbuds. KEY PRO offers a Total Play Time of 30 hours and Multipoint technology, allowing you to connect the earphones to two devices simultaneously.
