Highlights

25% larger steam plate*

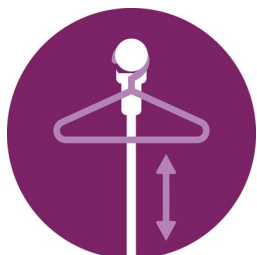

This EasyTouch Plus steamer is equipped with 25% larger steam plate* compared to the predecessor models. This allows you to cover more fabric area in one stroke and therefore you can be more efficient in steaming your garment.

5 steam levels

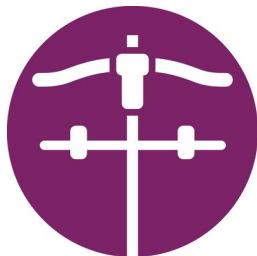

Set your preferred steam level for optimal results on different kinds of garments.

Adjustable pole

Integrated adjustable pole for hanging your garments while using the steamer. It is collapsible for easy storage.

Special garment hanger

Special garment hanger lets you easily hang your garments like shirts, dresses and trousers while using the steamer.

Glove for extra protection

Included is a glove that protects your hand during steaming.

Easy de-calc function

Prolong the lifetime of your appliance by using the Easy de-calc descaling function regularly.

Brush accessory

Use the brush accessory with thicker garments like coats for better steam penetration and a smoother finish.

Large detachable water tank

Large, detachable, transparent water tank suitable for a long steaming sessions. Easy refill with large filling hole.

Pleats made easy

Pleats make easy with pleat making accessory.

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Support accessory

Providing support during steaming is essential for achieving better results. Thanks to the additional support accessory, crisp results are now easier to achieve.
