

Xtream T1

Bluetooth Noise Isolating Earbuds

Experience the ultimate audio freedom with our Wireless Earbuds, featuring Bluetooth 5.3 technology with seamless connectivity and lossless sound. These stereo earbuds boast a Dual Mic Call function, ensuring crystal-clear conversations even in noisy environments. Compact in design, they fit snugly in your ears for all-day comfort. Effortlessly control your music and calls with intuitive Touch Control, while the ergonomic design ensure a secure fit during your busiest days. Elevate your listening experience with these high-performance earbuds.

■ Bluetooth

Enables wireless connectivity to smartphones, tablets, and other Bluetooth-enabled devices. This allows users to enjoy a completely cord-free listening experience with seamless audio streaming and hands-free calling.

■ Media Playback Time

Enjoy uninterrupted listening with 6-7 hours of media playback on a single charge. Whether you're streaming music, watching videos, or taking calls, these Bluetooth earbuds keep up with your day without frequent recharging.

■ Touch Controls

With the T1's intuitive touch controls, you can effortlessly control your music with a simple tap to play or pause. Adjust the volume to find the perfect sound level. These features ensure a seamless, user-friendly experience, giving you full control over your settings with just a few taps.

■ Noise Isolation

Noise isolation in the xtream T1 blocks out external sounds by creating a secure seal in your ears, allowing for an immersive listening experience. This passive technology reduces background noise without the need for active noise cancellation, enhancing audio clarity and focus.

■ Charging Case

Convenient Charging Case: Keep your Bluetooth earbuds powered with a sleek, portable charging case. Offering quick recharges on the go, it ensures extended listening time and safe storage with a compact, pocket-friendly design.
