Part Set-up Information			
Part Number:	See below	Product Dimensions:	1TB (HDTP210): mm: 80(W) x 119(L) x 15(H) inch: 3.1(W) x 4.7(L) x 0.59(H) 2TB (HDTP220): mm: 80(W) x 119(L) x 21.5(H) inch: 3.1(W) x 4.7(L) x 0.85(H)
Product name:	Canvio® Ready Portable Hard Drive	Product weight: (Approximate)	1TB: 176 g, 6.2 oz 2TB: 236 g, 8.3 oz
Color:	Black	Package dimensions:	mm: 140(H) x 128(W) x 40(D) inch: 5.5(H) x 5.0(W) x 1.6(D)
UPC code:	See below	Package weight: (Approximate)	1TB: 276 g, 9.7 oz 2TB: 339 g, 12 oz
Master Carton UPC:	See below	Packaging Material:	Retail Box – cardboard box
Product category:	External Storage; Portable Storage; Storage expansion, Portable hard drive	Master carton quantity:	5 units
Warranty³:	1-year standard limited warranty	Master carton dimensions:	mm: 212(L)×134(W)×153(H) inch: 8.3(L) x 5.3(W) x 6.0(H)
Available Date:	October 2018	Master carton weight: (Approximate)	1TB: 1.41 kg, 3.1 lb 2TB: 1.85 kg, 4.1 lb
Sales Regions:	USA, Canada, SCA	Units per Pallet:	1200 pcs
Embargo date:	14 days after available date	Layers per Pallet:	6 layers
Minimum Order Quantity:	5 units	Units per Layer:	200 pcs
Country of Origin:	Product assembled in Philippines. (HDD manufactured in China or Philippines)	Replacement for:	n/a
Package Contents:	Canvio® Ready Portable Hard Drive USB 3.0 Cable, Quick Start Guide, 1-year standard limited warranty ³		
System Requirements⁴:	<ul style="list-style-type: none"> Formatted NTFS for Microsoft® Windows® 10, Windows® 8.1, Windows® 7 Requires reformatting for macOS v10.13/ v10.12 / OS X v10.11 Available USB 2.0 or USB 3.0 Port 		
Environmental⁵:	RoHS Compliant This product is compatible with European Union Directive 2002/95/EC, Restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS), which restricts use of lead, cadmium, mercury, hexavalent chromium, PBB, and PBDE.		

Part Number	Capacity ¹	Color	UPC	5-Pack Carton UPC
HDTP210XK3AA	1TB	Black	889661042495	10889661042492
HDTP220XK3CA	2TB	Black	889661042518	10889661042515

1 One Gigabyte (1GB) means 109 = 1,000,000,000 bytes and One Terabyte (1TB) means 1012 = 1,000,000,000,000 bytes using powers of 10. A computer operating system, however, reports storage capacity using powers of 2 for the definition of 1GB= 230 = 1,073,741,824 bytes and 1TB = 240 = 1,099,511,627,776 bytes, and therefore shows less storage capacity. Available storage capacity (including examples of various media files) will vary based on file size, formatting, settings, software and operating system and other factors.

2 Five (5) Gbps is the maximum interface transfer rate per the specifications of the Universal Serial Bus 3.0. Actual transfer rate will vary depending on your system configuration and other factors.

3 One (1) year standard limited warranty applies. The warranty brochure is preloaded on the hard drive or can be viewed online at:

<http://storage.toshiba.com/consumer-hdd/support/warranty-info>.

4 Compatibility may vary depending on user's hardware configuration and operating system.

5 Toshiba Storage & Electronic Devices Solutions Company defines "RoHS-Compatible" products as products that either (i) contain no more than a maximum concentration value of 0.1% by weight in Homogeneous Materials for lead, mercury, hexavalent chromium, polybrominated biphenyls (PBBs) and polybrominated diphenyl ethers (PBDEs) and of 0.01% by weight in Homogeneous Materials for cadmium; or (ii) fall within any of the application exemptions set forth in the Annex to the RoHS Directive (Directive 2011/65/EC of the European Parliament and of the Council of 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment). "Homogeneous Material" means a material of uniform composition that cannot be mechanically disjoined (meaning separated, in principle, by mechanical actions such as unscrewing, cutting, crushing, grinding and/or abrasive processes) into different materials. Examples of "Homogeneous Materials" would be individual types of plastics, ceramics, glass, metals, alloys, paper, board, resins and coatings.
