For 4K ULTRA HD video recording and high speed continuous shooting!

4K  
Ultra HD

650X

- **Up to 90MB/s write speed and Class 3 (U3) speed ratings:**

For 4K ULTRA HD (3840X2160p) Video recordings and ultimate picture quality. Also ideal for the use in DSL Reflex cameras for high speed continuous and/or raw shootings.

- **Up to 128GB storage capacity:**

Because 4K videos and raw shooting pictures not only require significant higher write speed, but also higher space on the card.

- **Up to 95MB/s read speed:**

For fast transfer of large files from the card onto your computer or any SD compatible devices.

by **EMTEC**

- Carboard packaging in the iconic Kodak colors for instant recognition:

- User-oriented, with indication of recommended devices according to card type
- With 360° product view thanks to the transparent and transversal plastic window
